- **Facilities Report**

- Grants; Cory discussed the \$63,000.00 left for blacktop, which will be used in August 2018.
- East Stroudsburg Borough; Cory stated that ESB would like to arrange to have us grind for them again.
- DEP Equipment Audit; Cory stated that DEP was doing an Equipment Audit later today.
- Paving; is completed
- Materials; Cory also stated that we only have 50 yards of compost left. The facility has become so busy that we cannot grind fast enough. We do have woodchips/mulch available.

- New Business; Annette requested Oak Gove to sponsor \$100 for River Ramble by Brodhead Watershed Association.

Mike announced that each newsletter should have a full page dedicated to the OGMMCB and we could pay \$1,500.00 per year for this advertising. In addition to what we normally put in the newsletter we will also include a description of the process we us to produce our materials.

Mike also discussed Oak Grove employees; there should be one employee from each township to help with the Saturday shift which can then be rotated between the three townships.

Next Meeting: Monday, October 16, 2017
